2 CAPITAL RAISING AND SAYONA INVESTMENT UPDATE

On 24 March 2021, the Company announced that it had completed an underwritten public offering of 1.75 million of its American Depositary Shares (**ADSs**), with each ADS representing 100 of its ordinary shares, at an issue price of US\$70.00 per ADS, to raise gross proceeds of US\$122.5 million (A\$159.1 million) (**Capital Raising**). The ADSs, each representing 100 ordinary shares, were issued on 25 March 2021.

J.P. Morgan, Evercore ISI and Canaccord Genuity are acting as joint book-runners for the Capital Raising and BTIG, B. Riley Securities, Loop Capital Markets, Roth Capital Partners, ThinkEquity, a division of Fordham Financial Management, Inc., Jett Capital Advisors and Tuohy Brothers acted as co-managers for the Capital Raising (together, the **Underwriters**). The Company has also granted the Underwriters a 30-day option to purchase up to an additional 262,500 ADSs at the issue price of the Capital Raising.

Proceeds from the Capital Raising will be used to continue development of the Company's Piedmont Lithium Project, including definitive feasibility studies, testwork, permitting, further exploration drilling, mineral resource estimate updates and ongoing land consolidation, to fund the previously announced strategic investments in Sayona Mining Limited and Sayona Quebec Inc and other possible strategic initiatives, and for general corporate purposes.

Piedmont has committed to subscribe for its full entitlement under the Sayona Entitlement Offer to maintain a 9.9% equity interest for approximately A\$2.0 million. Piedmont has also subscribed for additional unsecured convertible notes (**Convertible Notes**) in Sayona for approximately A\$3.0 million that upon conversion, together with conversion of Piedmont's existing convertible notes, would result in Piedmont acquiring an additional 10.0% equity interest in Sayona (assuming no further dilution).

ADS Holders that hold Piedmont ADSs through brokers or other securities intermediaries will receive notice and must give their instructions through their securities intermediaries. For instructions to be valid, they must reach the ADS Depositary by a date set by the ADS Depositary. The ADS Depositary will try, as far as practicable, subject to applicable laws and the Constitution, to vote or to have its agent vote the deposited Shares as instructed by ADS Holders. In any event, the ADS Depositary will not exercise any discretion in voting deposited Shares and will only vote as instructed.

Except by instructing the ADS Depositary as described above, ADS Holders will not be able to exercise voting rights directly unless they surrender their Piedmont ADSs, withdraw their underlying Shares and arrange to receive those Shares into their securities account in Australia (which is a process that typically takes one or two Business Days to complete). If ADS Holders wish to do this, but do not have a securities account in Australia, then they should contact their financial intermediary to make appropriate arrangements to receive the underlying Shares.

- (a) unless the Court orders otherwise, a majority in number (more than 50%) of Shareholders present and voting at the Scheme Meeting (whether in person or by proxy, attorney or, in the case of corporate shareholders, a corporate representative) at the meeting; and
- (b) at least 75% of the votes cast on the resolution.

The Court has the discretion under section 411(4)(a)(ii)(A) of the Corporations Act to approve the Scheme if it is approved by at least 75% of the votes cast on the resolution but not by a majority in number of Shareholders (other than excluded shareholders) present and voting at the Scheme Meeting.

Voting at the Scheme Meeting will be by poll rather than by a show of hands.

3 Court approval

In accordance with section 411(4)(b) of the Corporations Act, the Scheme (with or without alteration or conditions) is subject to approval of the Court. If the resolution proposed at the Scheme Meeting is approved by the requisite majority, and the relevant conditions of the Scheme (other than approval by the Court) are satisfied, or waived, by the time required under the Scheme, Piedmont intends to apply to the Court for the necessary orders to give effect to the Scheme.

4 Action to be taken by Shareholders

Shareholders should read the Notice including this Explanatory Memorandum carefully before deciding how to vote on the Resolution.
