Piedmont Lithium Inc. Announces Adjournment of 2022 Annual Meeting of Stockholders until Thursday, February 3, 2022 and Encourages All Stockholders to Vote

BELMONT, NORTH CAROLINA, January 11, 2022, Piedmont Lithium Inc. (“Piedmont Lithium” or the “Company”) (NASDAQ: PLL; ASX: PLL) today announced that after convening the Company’s 2022 Annual Meeting of Stockholders (the “Annual Meeting”) virtually on Tuesday, January 11, 2022, at 11 a.m. Eastern Time, the Company adjourned the Annual Meeting until Thursday, February 3, 2022 at 2 p.m. Eastern Time. Due to the COVID-19 pandemic and to mitigate the risks to the health and safety of our community, stockholders and employees, Piedmont Lithium will also be holding its rescheduled Annual Meeting in a virtual-only format, by way of webcast, and no physical or in-person meeting will be held.

At the original scheduled time of the Annual Meeting, a total of 7,329,207 shares of the Company’s common stock, or 46.18% of the common stock outstanding and entitled to vote as of November 22, 2021 (including shares of common stock underlying CHES Depository Interests (“CDIs”)), the record date for the Annual Meeting (the “Record Date”), were present at the Annual Meeting, either virtually or represented by proxy, which fell short of the majority of shares of common stock outstanding and entitled to vote required to reach quorum. For the sole reason of the lack of quorum, the Company adjourned the Annual Meeting to provide the Company’s stockholders additional time to vote their shares.

Details of the final voting results, including votes validly received at the rescheduled Annual Meeting, will be tabulated and included with the official minutes of the Annual Meeting and will be available for all stockholders in our filings with the U.S. Securities and Exchange Commission within four business days.

How can I participate in the rescheduled virtual Annual Meeting?

Stockholders of record as of the close of business on the Record Date are entitled to participate in and vote at the rescheduled virtual Annual Meeting. To participate in the rescheduled Annual Meeting, including to vote, ask questions and view the list of registered stockholders as of the Record Date during the meeting, stockholders of record should go to the same meeting website at www.virtualshareholdermeeting.com/PLL2022, enter the 16-digit control number found on your proxy card or Notice of Internet Availability of Proxy Materials (the “Notice”) and follow the instructions on the website. If your shares are held in street name and your voting instruction form or Notice indicates that you may vote those shares through www.proxyvote.com, then you may access, participate in and vote at the rescheduled Annual Meeting with the 16-digit access code indicated on that voting instruction form or Notice. Otherwise, stockholders who hold their shares in street name should contact their bank, broker or other nominee (preferably at least five days before the rescheduled Annual Meeting) and obtain a “legal proxy” in order to be able to attend, participate in or vote at the rescheduled Annual Meeting.

The meeting webcast will begin promptly at 2 p.m. Eastern Time. Online check-in will begin approximately 15 minutes before then, and we encourage you to allow ample time for check-in procedures. If you experience technical difficulties during the check-in process or during the meeting, please call the number listed on the meeting website for technical support. Additional information regarding the rules and procedures for participating in the rescheduled Annual Meeting will be set forth in our meeting rules of conduct, which stockholders can view during the meeting at the meeting website. Regardless of whether you plan to participate in the rescheduled Annual Meeting, it is important that your shares be represented and voted. Accordingly, we encourage you to vote in advance of the rescheduled Annual Meeting.

How do I vote?

Stockholders who have already submitted a proxy and want to change their vote, can update their vote in the manner set forth in the Proxy Statement. Your vote will be recorded at the rescheduled Annual Meeting in accordance with your most recently submitted proxy.
