- *TD Cowen NDR - Europe – London, Paris, Switzerland, June 27-29*
- *Canaccord Toronto Lithium Day – Toronto, Canada, June 27*

“We are advancing across our global portfolio of projects to supply critical lithium resources to the U.S. battery and manufacturing supply chains, and we are looking forward to sharing our progress with the industry and investors this month,” said Piedmont Chief Executive Officer Keith Phillips. “First commercial shipments and revenue generation from North American Lithium are nearing, as is a DFS for the Ewoyaa Lithium Project. Meanwhile, permitting is progressing at both Tennessee Lithium and Carolina Lithium.”

Piedmont’s global portfolio of projects includes the following targets, subject to permitting, approvals, and financing:

- **Quebec:** first commercial shipment of spodumene concentrate from Sayona Quebec’s North American Lithium – Q3 2023
- **Ghana:** spodumene concentrate production at Atlantic Lithium’s Ewoyaa Lithium Project – 2025
- **Tennessee Lithium:** lithium hydroxide production from spodumene concentrate sourced from our international investments – 2026
- **Carolina Lithium:** integrated spodumene concentrate and lithium hydroxide production – 2027

## About Piedmont Lithium

*Piedmont Lithium (Nasdaq:PLL; ASX:PLL) is developing a world-class, multi-asset, integrated lithium business focused on enabling the transition to a net zero world and the creation of a clean energy economy in North America. Our goal is to become one of the largest lithium hydroxide producers in North America by processing spodumene concentrate produced from assets where we hold an economic interest. Our projects include our Carolina Lithium and Tennessee Lithium projects in the United States and partnerships in Quebec with Sayona Mining (ASX:SYA) and in Ghana with Atlantic Lithium (AIM:ALL; ASX:A11). These geographically diversified operations will enable us to play a pivotal role in supporting America's move toward energy independence and the electrification of transportation and energy storage.
